VOIR DIRE TO JURY PANEL

Good morning, ladies and gentlemen, I am Judge Joseph Farnan. Briefly stated, this case is a civil action brought by Plaintiff Jeff Norman against Defendants David W. Elkin, Richard M. Shorin, and The Elkin Group, Inc. for breach of contract, conversion and fraud. US Mobilcomm, Inc. is the company in which Jeff Norman and David W. Elkin are both shareholders in this action. So, while you may see it listed as a party on certain documents during the course of this trial, it should not be treated as either a plaintiff or defendant in this action.

The trial is expected to last from _____; our trial days will run approximately from 9:00 a.m. to 4:30 p.m., with a lunch break for one hour beginning at 12:30 p.m.

Plaintiffs are represented by Sean Bellew and David Felice, both attorneys with the law firm of Cozen O'Connor. Defendants are represented by Steven Caponi and Christine Azar, both attorneys with the law firm of Blank Rome LLP.

In the light of this brief summary, I will ask the panel certain questions, the purpose of which is to: (1) enable the court to determine whether or not any prospective juror should be

excused for cause; and (2) enable counsel for the parties to exercise their individual judgment with respect to peremptory challenges, that is, challenges for which no reason need be given by counsel. If any of you answer any question "yes," please stand up and, upon being recognized by the court, state your juror number. When I have concluded asking all the questions, we will call you to the bench individually to speak with you about your affirmative response or responses.
